SKYSPAN™ CUBE

Portable Umbrella Base

SKYSPAN™ CUBE

Portable Umbrella Base

Need shade here? Or over here? Our stylish concrete Skyspan™ Cubes have been designed to enable you to re-position your Skyspan™ umbrella where you need, when you need it.

Weighted, yet portable, each Skyspan™ Cube can be fitted with commercial grade lockable casters

and levelling feet, allowing for easy maneuverability of your umbrella. Once relocated, the Skyspan™ Cube is easily and safely locked into place.

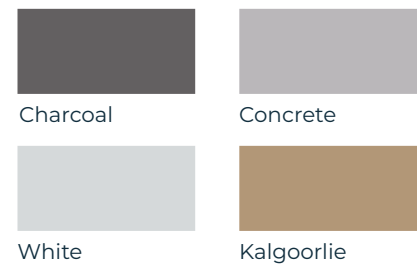

Skyspan™ Cubes can be filled with decorative stone, sand, plants or lined with timber to double as a leaner/table, enhancing your outdoor space.
